OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 9 February 1971

25X1 1. [ ] - JMM) Called at the office of Senator Allen J. Ellender and left word with his personal secretary, Marihelen Horneman, renewing our invitation for the Senator to visit Headquarters for a briefing at any time he might find convenient including evenings or Saturdays. She said she had left a note for the Senator to this effect, but would make sure to again draw it to his attention.

25X1 25X1A 2. ([ ] JMM) Mr. [ ] and I met with Bill Woodruff, Counsel, Senate Appropriations Committee, and reminded him of our desire to brief Senator Allen Ellender at the first opportunity. I explained that I had just called at Ellender's office, for the second time in the past week, to leave word for the Senator that we would like to get him out to Headquarters for a meeting with the Director and a briefing at his earliest convenience. See Memo for Record for details.

25X1 25X1A 3. ([ ] JMM) Mr. [ ] and I met with Representative William C. Wampler and his Administrative Assistant, Ray Dotson, and [ ] a German national who had sought to obtain financial backing from two Virginia lawyers, [ ] to try to arrange the release of American prisoners. Wampler said this information didn't surprise him and he very much appreciated our providing it. He also asked me to pass it on to the Defense Department whom he had contacted on the matter. He assured me he would protect the Agency in connection with this information.

Called Colonel Milton Kegley, Special Assistant in the office of the Assistant to the Secretary of Defense (Legislative Affairs), and explained my meeting with Mr. Wampler.

25X1A 25X1A 4. (Internal Use Only - JGO) Received a call from Mr. [ ] [ ], DCS, Alien Affairs, alerting us that Mr. Robert Schultz, House Committee on Internal Security staff, has been in direct contact with [ ] and has requested his appearance before the Committee in March.

25X1 6. [REDACTED] - JGO) Met with Mr. John Garrity, House Defense Appropriations Subcommittee staff, who told me that briefings by the Secretary of Defense (who will be followed by various military commanders) are tentatively scheduled to begin on 4 March. The full Committee is expected to hold an organizational meeting later this week.

25X1 7. [REDACTED] - JGO) Met with Mr. Herbert Roback, Staff Administrator, Military Operations Subcommittee, Committee on Government Operations, who told me that the Chairman, Representative Chet Holifield (D., Calif.), is considering reassignment of Committee jurisdiction of the Central Intelligence Agency to his own Subcommittee, the Military Operations Subcommittee, from the Moss Subcommittee on Government Information and Foreign Operations. Mr. Roback indicated that there is no indication that the Chairman intends to place demands on the Agency for briefings or otherwise. He noted that Mr. Holifield is completely well disposed toward the Agency and its activities, and in the past has kept up-to-date on the Agency through his membership in the Joint Committee on Atomic Energy. Mr. Roback thanked me for coming by and said he would keep me posted as the situation develops.

25X1 8. [REDACTED] JGO) Met with Messrs. Russ Blandford and Frank Slatinshek, House Armed Services Committee staff, who told me that the rules of the House Armed Services Committee provide that members of the full Committee may attend any Subcommittee meeting and participate in the meeting without vote. They feel this rule may be troublesome for the subcommittee chairmen in the coming year.

I briefed Messrs. Blandford and Slatinshek on the Soviet acknowledgment of the current naval visit to Cuba, and the "Caspian Sea Monster." It was requested that further information be provided on the latter item.

9. [ ] - JGO) I talked to [ ]

25X1 5. [ ] - GLC) Stuart P. French, Special Assistant to the Assistant Secretary of Defense for International Security Affairs, called about the travel of Moose and Lowenstein, Foreign Relations Committee staff, to Greece. French said Defense has also received a letter from Chairman Fulbright asking for Defense's cooperation on this trip. French said he understood the Agency had briefed Moose and Lowenstein and was interested in any information we could give him about the purposes of their travel. Mr. [ ] talked with French about our briefing and told him what he knew about the trip. 25X1A

25X1 6. [ ] JGO) Met with Mr. Ralph Preston, House Appropriations Committee staff, who told me that the Committee membership of 31 Democrats and 20 Republicans could remain relatively unchanged for the coming session of Congress. In any event, changes in the Democrat/Republican makeup should not affect either the Defense Subcommittee or the handling of Agency matters. I briefed Mr. Preston on Soviet satellite communications, aerial refueling, testing of the Galosh missile, North Vietnamese deployment to the Plaine des Jarres area, North Korean naval facilities, and Soviet testing of SS-11 Mod 2B.

25X1 7. [ ] - JGO) In response to his call, I met with Senator Jack Miller (R., Iowa) who asked if I could give him a reading on the Inter-American Social Development Institute that was established last summer. Senator Miller has a lifelong acquaintance with unusual qualifications that the Senator would like to recommend to the Institute. 25X1A After checking with Mr. [ ] WH Division, I told the Senator that the Agency has no association with the Institute (that we have stayed away from such activities since the Katzenbach recommendations were adopted by the White House some four years ago) and gave him the names of Mr. Irving Tragen, State Department, who is Chairman of the Institute, and Mr. George Lodge, the Executive Director. Senator Miller was most appreciative.
